

Moses told Israel they would inherit a land full of good things even though they had done nothing to produce it. Then he warned them about the one thing that could ruin it: forgetting where it came from.

Nearly everything we love about this church was paid for and prayed over by people we never met. We are the recipients of the grace and generosity of those who came before us. We know what it costs to keep this well we call the church open and operating at a high level. It takes a congregation full of people who are willing to sacrifice their time, offer their leadership, share their gifts, practice generosity, and pray relentlessly. I am grateful to the people who did this before we were ever around. And the water continues to flow because of your faithfulness to God and this church.

This card represents your promise to join in this work. It represents your commitment to be someone who offers the ministry, in addition to receiving it. Some of us are reopening a well that has been closed for decades, and some of us are picking up a shovel here for the first time. No matter where you are on your journey, you are invited to experience the living water of God, here at SFUMC.

Grace and Peace,

Woods

Be careful that you do not forget the Lord, who brought you out of Egypt, out of the land of slavery.

DEUTERONOMY 6:12

Bring this card to worship on Commitment Sunday, October 4, and we will receive it together and hand you the new Guidebook. If you are away that morning, any Sunday after works, and so does the church office.

You can also fill it out online at spanishfortumc.org/pledge. The form asks the same questions this card does and goes straight to the church office when you submit it.

A commitment is a faithful estimate of what you intend to give. It is not a contract and it is not a bill. It is what lets our leaders plan next year with honest numbers instead of guesses.
